Welcome to BUPT!

#### **Abstract**

This paper proposes a new schema ...

## **1 Introduction**

The Beijing University of Posts and Telecommunications (BUPT) is a key national university distinguished by the teaching and research in the field of cable communications, wireless communications, computer, and electronic engineering. BUPT is ranked as one of the top engineering schools in China.

### **1.1 History**

BUPT is one of the 73 Key National Universities under the administration of the Chinese Ministry of Education. The university was founded in 1955 as the Beijing Institute of Posts and Telecommunications. It was the tertiary institution for teaching and research in the post and telecommunications fields. In 1993, it was renamed to Beijing University of Posts and Telecommunications (BUPT).
